Fibre optic expansion: half-sided lane closure on Adenauerallee

18 February to 27 March 2026 // Reduced speed in the construction site area

From 18 February to 27 March, fibre optic cables will be laid on Adenauerallee in the section from house numbers 10 to 66. The construction work will take place on the pavement and the carriageway will be closed on one side for the emergency footpath.

Cyclists move onto the carriageway and the speed limit is reduced to 30 km/h in the affected area.
