

02. June 2023

Traffic

Full closure of Robert-Koch-Ring

From 5 June for an estimated 5 working days // Diversion for motor vehicles // Pedestrian bridge available

The Robert-Koch-Ring will be fully closed from 5 June for an estimated 5 working days as part of construction work. The residents have already been informed by the contractor. Motor vehicle traffic will be diverted with appropriate signage, pedestrians will be able to pass the site of the work.

Bus traffic affected

Bus traffic is also affected. The StadtBus line C1 will have to be operated without the "von-Behring-Straße" bus stop until Friday, 9 June 2023. For more details, see www.stadtbusbocholt.de ↗.
