Road closures due to fibre-optic cabling work from Friday

Lennestraße, Lankerner Straße, Neckarstraße and Otto-Moritz-Weg are affected

To allow for the further expansion of the fibre-optic network in Bocholt, there will be temporary traffic restrictions from Friday 4 September 2026. The roads affected are Lennestraße, Lankerner Straße, Neckarstraße and Otto-Moritz-Weg, which will need to be closed for the civil engineering works.

The works are expected to last for four weeks. Residents will be assured that access to their properties will be maintained throughout the construction phase.
