Road maintenance: Closure of the Unter den Eichen road

Full closure of a section of road for several days from 2 February 2026 // Still passable for cyclists and pedestrians

From 2 February, necessary work will be carried out on a house connection as part of the ESB's road maintenance work. The Unter den Eichen road will have to be fully closed to traffic for this work.

No additional diversion route will be signposted; the area can be bypassed via Buchenallee. Cyclists and pedestrians will still be able to pass.
