Road works in Suderwick

Start of final construction of Arnfrid-Howein-Straße from 24 July until the end of the year // Note closures

From Monday, 24 July, the final extension of Arnfrid-Howein-Straße in Suderwick will begin.

The expansion will be carried out in individual construction phases, initially under full closure. In the further course, the road will be passable again on one side. Residents have been informed. The measure will last until the end of the year.
