Sewer works: Access to Salzmännstraße closed

Junction of Stenerner Weg and Salzmännstraße // 7 September until, provisionally, 2 October 2026

The junction where Stenerner Weg meets Salzmännstraße will be closed to traffic from Monday 7 September 2026. This is due to essential sewer works in the area. The closure is expected to last until 2 October 2026.

From the beginning of September, work will be carried out on the municipal sewerage network at the junction of Stenerner Weg, near house number 80. In order to carry out the civil engineering works efficiently and safely, direct access to Salzmännstraße must be closed to vehicle traffic.
