Traffic: Bottleneck on Blücherstraße

From Monday, 11 March // Cycle path to be renovated

From next Monday, 11 March, there will be traffic disruptions on Blücherstraße near the cemetery.

The cycle path and pavement on Blücherstraße near the cemetery is being renovated and the paving replaced, which means that parking spaces in front of the cemetery will also be removed for the duration of the work.

The road is closed, cycle traffic will be guided past the construction site and pedestrians will have to cross to the other side of the road. The paving work should be completed before Easter.
