Traffic: Closure on Böggeringstraße

Follow diversions

Böggeringstraße in the area of the "Weißdornweg" junction is currently fully closed to traffic due to work on supply lines. Traffic heading for the Werkstraße industrial estate is being diverted via the Lowicker Straße-Pannemannstraße-Werkstraße route.

The construction work will last about two weeks. Pedestrian and bicycle traffic can still pass through the area. This was announced by the city's traffic department.
