Traffic

Traffic: Closure on Petersfeldstraße

Between Moselstraße and Bernhard-Otte-Straße

On Petersfeldstraße, between the junctions with Moselstraße and Bernhard-Otte-Straße, roadworks are being carried out on the carriageway from today until Thursday. For this reason, the carriageway will be closed to traffic.

The city bus will use the Ruhrallee, Franzstraße and Bernhard-Otte-Straße route during the works. Pedestrian and cycle traffic can still pass through the roadworks area.
