Traffic

Traffic disruptions in the industrial area

Semi-lateral closure due to sewer work // Detour to follow

In the industrial area of Bocholt, there will be traffic disruptions in the area of the street "Schlavenhorst" due to necessary sewer work.

The road "Schlavenhorst" will be closed on one side from today, 6 September, from the junction "Ruenhorst/Harderhook". The closure will last one week. Traffic will be diverted via the street "Ruenhorst". There will be a replacement stop for the city bus line C 13 (out of town). It is still possible to pass the roadworks area when travelling into town.
