## Announcement by the City of Bocholt

### of the public display within the scope of

of the 3rd amendment of the development plan 8-7 in the area of Händelstraße, east of the properties Händelstraße Hausnr. 12 (parcel no. 29) and west of Händelstraße Hausnr. 9 (parcel no. 148) in the accelerated procedure pursuant to § 13a of the German Building Code (BauGB)

On 11.05.2022, the Committee for Planning, Building and Transport, having taken note of the justification, decided to initiate the 3rd amendment of the development plan 8-7 in the area of Händelstraße, east of the properties Händelstraße Hausnr. 12 (plot no. 29) and west of Händelstraße Hausnr. 9 (plot no. 148) in the accelerated procedure pursuant to § 13a BauGB with the following urban development objective:

- Creation of building rights for the overbuilding of the public access road.

The early participation steps have been completed in the meantime. The draft amendment to the land-use plan is now to be put on public display. At the same time, the authorities and other public agencies are to be involved in the procedure.

The draft of the development plan with the explanatory memorandum and the environmental statements already submitted will be available for public inspection from 20.01.2023 to 22.02.2023 inclusive. The disclosure shall take place during the display hours at the City of Bocholt in the Department of Urban Planning and Building Regulations, Kaiser-Wilhelm-Straße 52-58, 46395 Bocholt.

Comments can be made on this plan during the display period.

Comments not submitted in due time may be disregarded in the decision-making process on the development plan.

The amendment of the development plan does not prepare the admissibility of a project that is subject to an obligation to carry out an environmental impact assessment. There are also no indications of any impairment of the protected interests specified in Article 1 (6) no. 7 b BauGB. Nor are there any indications that the planning must comply with obligations to avoid or limit the effects of serious accidents pursuant to Section 50,

Sentence 1 of the Federal Immission Control Act. No major accident facilities are known to exist in the planning area or the immediate vicinity. An environmental impact assessment was not carried out.

**Interpretation times:**
