Urban land use plans

115th amendment of the land use plan Loikumer Weg

The documents on the amendment of the land use plan are available for inspection by anyone during the display hours.

Announcement by the City of Bocholt

of the public display within the scope of the

of the 115th amendment of the land use plan in the district of Mussum for the area south of Kreuzkamp, west of Loikumer Weg, north of Siegeheide and east of B 473

(here illustration - see separate file)

On 07.12.2022, the Committee for Planning, Building and Transport decided, with knowledge of the explanatory memorandum and the meeting's presentation, to open the 115th amendment to the land use plan to public inspection. Amendment of the land use plan in the district of Mussum for the area south of Kreuzkamp, west of Loikumer Weg, north of Siegeheide and east of the B 473 for the representation of new residential areas with corresponding green spaces and the representation of areas for utility facilities, for waste disposal and sewage disposal as well as deposits; facilities, installations and other measures to counteract climate change in accordance with § 3 para. 2 of the Federal Building Code (BauGB) and the participation of the authorities and other public agencies in accordance with § 4 para. 2 BauGB. The draft of the land use plan will be made available for public inspection from 25.01.2023 to 28.02.2023 inclusive. The disclosure shall take place during the display hours at the City of Bocholt in the Department of Urban Planning and Building Regulations, Kaiser-Wilhelm-Straße 52-58, 46395 Bocholt.

Comments on the plan can be submitted during the display period. Contact details: City of Bocholt, Department of Urban Planning and Building Regulations, Kaiser-Wilhelm-Straße 52-58, 46395 Bocholt

E-mail: [stadtplanung\(at\)bocholt\(dot\)de](mailto:stadtplanung(at)bocholt(dot)de)

Telephone: 02871-953-423 (Ms Overkamp)

Fax: 02871-953-385

Comments not submitted in due time may be disregarded in the decision-making process on the development plan.

Furthermore, it is pointed out that an association within the meaning of section 4, paragraph 3, sentence 1, number 2 of the Environmental Appeals Act is excluded in appeal proceedings pursuant to section 7, paragraph 2 of the Environmental Appeals Act in accordance with section 7, paragraph 3, sentence 1 of the Environmental Appeals Act with all objections which it has not asserted or has not asserted in due time within the framework of the period for display but which it could have asserted.

Disclosed are

- the drafts of the land use plan and the explanatory memorandum including the environmental report of August 2022
- the available environmental information and the significant environmental statements already submitted.

The following types of environmental information and significant environmental statements already available are available from the City of Bocholt:

I. Explanatory memorandum including environmental report of August 2022 on the amendment of the land use plan. In accordance with § 2 para. 4 BauGB, an environmental assessment is carried out for the environmental protection issues, in which the likely significant environmental impacts are determined and described and evaluated in an environmental report. In the explanatory memorandum and the environmental report, the existing situation and the effects of the plans on the protected assets of animals, plants, land, soil, water, air, climate, landscape, biological diversity, humans, their health, cultural assets, other material assets, as well as on the interactions between the individual concerns are examined and assessed in particular, applying Annex 1 to the BauGB.

Among other things, statements are made on the topics of animals, plants, land, soil, water, air, climate, landscape, biological diversity, humans, their health, cultural assets, other material assets and on the interactions between them. This is based on the expert reports and expert opinions/planning described in more detail below.
