

Internship & FSJ

Would you like to complete an internship or a voluntary social year (FSJ) with the city of Bocholt? **Great!** Send us your application via the corresponding link in the green fields. Any questions? Please get in touch!

Your way to us

– School internship/exploration of occupational fields

Are you still undecided about which professional direction you would like to take? Or are you already sure that your professional future lies in the public sector?

In both cases, a school internship with the city of Bocholt will help you!

With us you have the opportunity to gain an insight into the different professions of the city administration - from city planner to carpenter, everything is possible. **We are looking forward to meeting you!**

– Internship as part of a degree course or in training

Do you want to expand the skills and knowledge you gain during your studies or training with practical experience at the City of Bocholt? **Then apply now for an internship with us.**

Apply your knowledge in a professional environment and gain your first impressions of the work processes of a local authority.

We offer internships in the legal and social sectors in particular - but we also welcome suitable applications in other areas (e.g. Europe Direct).

Simply get in touch with us and we will see together in which area we can offer you a suitable internship.
