

## **Internship & FSJ**

You would like to do an internship or a voluntary social year (FSJ) with the city of Bocholt?  
**Great!** Feel free to apply via the corresponding link in the green fields. Any questions? Feel free to contact us!

## Your way to us

### – School internship/exploration of occupational fields

Are you still undecided about which professional direction you would like to take? Or are you already sure that your professional future lies in the public sector?

**In both cases, a school internship with the city of Bocholt will help you!**

With us you have the opportunity to gain an insight into the different professions of the city administration - from city planner to carpenter, everything is possible. **We are looking forward to meeting you!**

### – Internship as part of a degree course or in training

Do you want to expand the skills and knowledge you gain during your studies or training by experiencing everyday work in the public sector? **Then do an internship with the city of Bocholt.**

Apply your knowledge in a professional environment and gain your first impressions of the work processes of a municipal administration.

We offer internships especially in the legal and social fields.

In other areas (e.g. Europe Direct) it is also possible for you to do an internship. Just get in touch with us and together we will see in which area we can offer you an appropriate internship.
