

Waste collection

Collection and disposal

Day after day and in all weathers, our orange fleet is on the road for you. Around **10,000 bins** are emptied by our employees every day. There is hardly a public service that people in Bocholt have to deal with more often than refuse collection. Find out more here about the services provided by ESB and how you can contribute to smooth processes.

Frequently asked questions

What do the tonnes cost me?

General waste/black lid

- 60-litre bin 120-litre bin with collection every 4 weeks >, suitable for up to 2 people

Paper bin (blue lid) and yellow bin (yellow lid)

- 120-litre bin 120-litre bin with collection every 4 weeks (city centre: collection every 2 weeks)
Free of charge

- 240-litre bin 240-litre bin with collection every 4 weeks (city centre: every 2 weeks)
Free of charge
- 1,100-litre container 1,100-litre container with collection every 4 weeks (city centre: every 2 weeks)
free of charge (for households in proportion to the number of bins subject to the collection charge)

How often are the bins emptied?

General waste and organic waste bins are collected alternately every two weeks.

With the exception of the so-called 60-litre general waste bin, which is actually a 120-litre bin emptied every four weeks.

Paper and recycling bins are emptied every 4 weeks.

With the exception of the city centre, where collection takes place every 2 weeks.

Where can I register and deregister bins?

Please contact the waste disposal and service company by telephone or e-mail to change the number of bins.

Individual fee-neutral changes to paper or yellow bins can be made conveniently via the online services for paper bins / yellow bins:

Where can I find my waste collection dates / calendar?

- **Online:** You can find the waste calendar for your street here.

- **Mobile:** You can download our ESB app for your smartphone for all important data. (For the [Android](#) and [iOS](#) operating systems)
- **Paper version:** You will receive the classic [paper waste calendar](#) by post at the end of each year.

How do I place the bins correctly?

We empty most waste containers in Bocholt with a so-called side-loader vehicle. With this vehicle technology, the containers are emptied by the driver from the driver's cab. The loading process is controlled by a computer and monitored by a camera.

A few **rules** must be observed when providing the waste containers:

- Place the waste bins on the street by 6 a.m., at the earliest the evening before.
- Return the bins to your own property after emptying.
- The lid must be closed.
- Place 2 bins of the same size very close together in pairs
- For mixed pairs, the smaller bin should be on the left when viewed from the street.
- Leave a distance of approx. 20 cm between two pairs
- The lid opening faces the street, the handle faces the property.
- Leave sufficient space to all sides and to obstacles.
- Please also consider overhanging roofs, overhanging trees and road signs.

For festivals, celebrations and parties

The 240-litre bin with the hole in the green lid is ideal for an upcoming event.

You can order the bins by telephone and then collect them from us or have them delivered by us.

If you collect the bins yourself or arrange for them to be delivered, we charge 8.33 EUR (incl. VAT) per bin.

If you would like us to deliver and collect the bins, we charge €11.90 (incl. VAT) per bin.
