

IT support for schools

Help with IT problems

IT support at the municipal schools is provided by the IT department of the city of Bocholt.

This page is aimed at all teachers, pupils and their parents. Instructions, help and tutorials are provided here.

If you have any questions or comments, please feel free to contact us!

Questions about iServ?

If you have any questions about iServ, please contact **the school secretariats** or the admin teachers at the schools first.

They will then contact the IT department of the city of Bocholt.
