Great importance is attached to the shopping experience for customers everywhere. Here you can enjoy shopping in the cosy pedestrian zones with a beautiful historic city centre as well as on Neutorplatz and in the shopping arcades.

In the centre of the town on the market square in front of the historic town hall and on Gasthausplatz, the [weekly market](#) is also held four times a week. Cafés, restaurants and pubs as well as free seating on squares and the Bocholter Aa invite you to linger and take a break.
