

Fildeken and Rosenberg

Julia Nakotte

My name is Julia Nakotte. I have been the neighbourhood manager for Fildeken-Rosenberg since 2023.

After my studies and my work as a family helper and caregiver in Cologne, I moved back to my hometown of Bocholt. Here I got to know and love the Fildeken-Rosenberg district through my job at the all-day school on Weserstraße.

That's why I founded the association "Tür an Tür e.V." in 2022 with some committed people from Bocholt. Our goal is to help shape neighbourhood development in Bocholt and to offer people a low-threshold contact point. Since 2023, our association has been allowed to act as the responsible body for the neighbourhood management for Fildeken-Rosenberg.

In my work, it is particularly important for me to meet people at eye level. Humour and uncomplicated contact offers are particularly important to me.

Come by our neighbourhood meeting place on Mainstr. 81. It doesn't matter whether it's for a consultation or a cup of coffee.

Jasmin Kruppa-Maaß

My name is Jasmin Kruppa-Maaß and I have been working in the Fildeken-Rosenberg neighbourhood office since December 2024.

I'm looking forward to working with the people in our neighbourhood. Social work is more than just a job for me. I really enjoy listening to the residents, understanding their interests and finding solutions together with them. It is important to me to treat each individual with respect and appreciation, as this is the only way to build trust.

My aim is to support people and accompany them in their life situation, be it in solving problems or networking with others. At the neighbourhood office, we offer a space for help, exchange and community growth. Together with Julia, it is very important to me to help our neighbourhood develop into a place of togetherness and mutual support.

You can find all information about our offers on our [homepage](#) .

Fildeken-Rosenberg is a green and very diverse neighbourhood. Both established Bocholt residents and newly arrived families make the south-east of Bocholt a lively and welcoming neighbourhood.

Project "Green centre"

It is a leisure and living space in the middle of the neighbourhood: **the Green Centre.**

Covering an area of four hectares, it combines **ecology** and **leisure space** for the residents of the Fildeken-Rosenberg neighbourhood.
