Glades Tchiri

My name is Glades Tchiri and I like to get involved in neighbourhood work. It is especially important to me to promote neighbourliness and community in the Bocholt Südwest neighbourhood. My work as a neighbourhood manager is aimed equally at all residents of the neighbourhood. I place a special focus on the needs of senior citizens and migrants. Through my own family history in a multicultural environment, I am very familiar with the challenges and potentials of these groups.

I am aware of the importance of inclusion and integration and am committed to ensuring that every resident has an equal opportunity to participate in neighbourhood life and feel welcome. I have already worked as an integration pilot and was able to experience first-hand how important it is to offer support and guidance to help migrants integrate into society. These experiences have shaped me and strengthened my commitment.

As I speak several languages, I am able to communicate with different cultures and communities and, if necessary, provide assistance, e.g. in filling out forms.

My colleague Edith Gewers and I will soon be moving into our neighbourhood meeting place at Barendorfstraße 24 in Bocholt. We look forward to welcoming many residents there.

Of course, we are also available by phone or email to arrange a personal appointment.

We at Quartier Bocholt-Südwest look forward to seeing you!
