

Adults under the age of 25

What we do

© Envato.com

The "Team U25" at the Bocholt job centre advises and supports teenagers and young adults aged 15 to 25. This age group usually prioritises other issues than older adults, e.g. obtaining school qualifications, career guidance and finding an apprenticeship.

The specialists in the "Team U25" have a broad network in Bocholt for many problems and support needs. They co-operate with schools, educational institutions and youth employment assistance providers, among others.

After a successful transition from school to work, Team U25 offers guidance and support until the completion of vocational training.
