

Summer painting school

The EUREGIO-Kunstkreis e.V. regularly organises the **summer painting school at the Kunsthaus in Osterstr. 69 in 46397 Bocholt** in cooperation with the city of Bocholt.

"The world is colourful, and that is exactly what we will make visible and live during the three weeks of the summer painting school", promises course instructor Andrea de Ruiter.

The children will be given an insight into abstract painting and creative design with different materials. In addition to individual works created by each child, the children will also give free rein to their creativity in one collective work per course. The works will be publicly exhibited in the Kunsthaus after the courses.

When does the summer painting school take place?
