Winter fun at St Georg's Square from 27 November 2026 to 10 January 2027

During the 2026/2027 winter season, the popular **ski gondolas in the winter village on St. Georg Square** will once again invite visitors to enjoy a special stay in an atmospheric setting. A total of seven cosily furnished and heated ski gondolas are available to visitors for convivial moments during the festive season.

Each gondola can accommodate up to six people and can be booked for **2.5-hour** slots from **27 November 2026** onwards. Booking slots are available daily at **2.00 pm** and **5.00 pm**. From **Thursday to Saturday**, an additional evening slot is available from **8.00 pm** to **10.30 pm**. **The charge is €15 per time slot and gondola - regardless of whether you're travelling with two or six people.**

During their stay, guests are served drinks directly in the gondolas. Food can be conveniently purchased from the stalls at the Christmas market and then enjoyed in the gondolas. This allows visitors to savour the Christmas market's diverse culinary offerings in a particularly cosy setting.

The ski gondolas will remain set up on St Georg's Square until **10 January 2027**. The gondolas will be closed on 24, 25, 26 and 31 December 2026, as well as on 1 January 2027.

You are not permitted to consume your own drinks in the gondola.

– Cancellation Policy

Cancellations are subject to a charge (100 per cent).

– Can I choose a gondola?

No. You book a gondola and are assigned one on the spot by one of our staff members. Unfortunately, for organisational reasons, we are unable to do things any other way. However, all the gondolas are the same size and have the same interior and the same charm.

– Where do I check in on the day of my booking?

Please show the QR code for your booking to a member of staff at the mulled wine stand on St. Georg Square. They will then show you to your

gondola.
